

# ★★★ LocalReviews

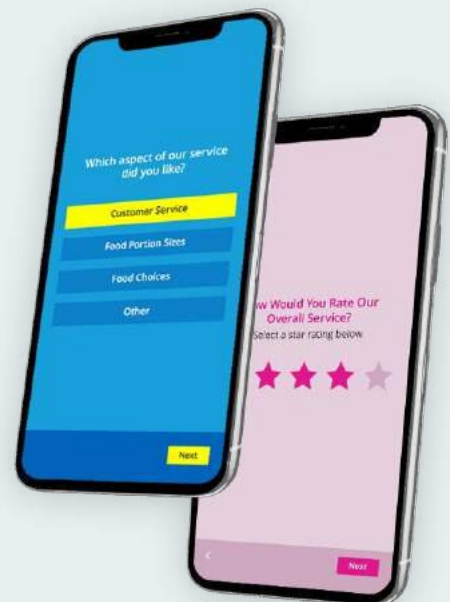

LocalReviews is our complete review and feedback management platform that will allow you to easily send review requests to your clients by text or email.

Our review process makes it simple and fast for them to leave a 5-star review on the website of your choice. We can fully customize your feedback surveys, direct reviews to any website, and track everything on a convenient dashboard.

## LocalReviews enables local businesses

- Quickly add reviews and stand out as a top choice in each respective area and increase revenue.
- Easily manage the company's entire online reputation from a single dashboard.
- Gain visibility into the customer experience with a consistent stream of feedback.

**LocalReviews has enabled many businesses to grow their Google Reviews from 40 reviews to 200+ since joining OneLocal in August, 2022.**
