Specialized marketing for Contractors

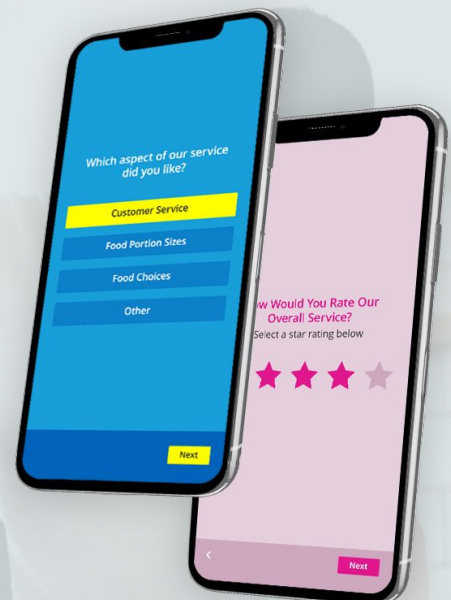

LocalReviews is our complete review and feedback management platform that will allow movers to easily send review requests to their customers by text or email.

Our review process makes it simple and fast for customers to leave a 5-star review on your website after a job. We can fully customize your feedback surveys, direct reviews to any website, and track everything on a convenient dashboard.

## LocalReviews helps Contractors:

- Quickly add reviews and stand out as a top choice in each respective area and increase revenue.
- Easily manage the company's entire online reputation from a single dashboard.
- Gain visibility into the customer experience with a consistent stream of feedback.

LocalReviews has enabled many contracting businesses to grow their

Google Reviews x4 since joining OneLocal in November 2021.
