Specialized marketing for Eye Care Clinics

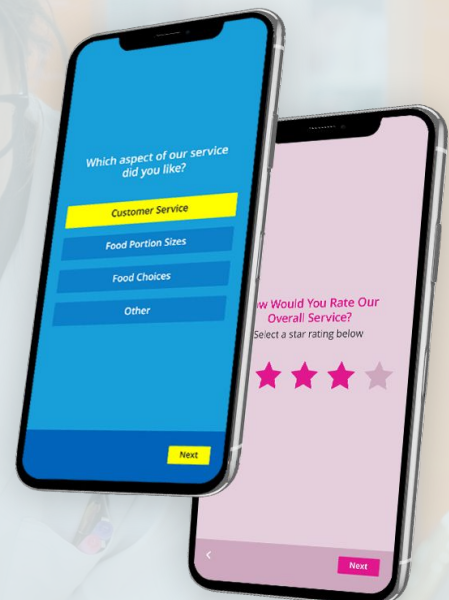

LocalReviews is our complete review and feedback management platform that will allow med spas to easily send review requests to their patients by text or email.

Our review process makes it simple and fast for patients to leave a 5-star review on your website after a job. We can fully customize your feedback surveys, direct reviews to any website, and track everything on a convenient dashboard.

## LocalReviews helps Eye Care Clinics:

- Quickly add reviews and stand out as a top choice in each respective area and increase revenue.
- Easily manage the company's entire online reputation from a single dashboard.
- Gain visibility into the customer experience with a consistent stream of feedback.

**“Hands down this has been a huge win for our company. It has provided us with regular 5 star reviews and more patients coming in our doors.” - National Eye & Ear of Tucson**
