LocalSEO is our search engine optimization service allows roofers to increase the amount of qualified traffic to their website from people who are looking for roofing services right now.

LocalSEO will help your most important marketing tool—your website— rise higher on search results when people are looking for the various roofing services you offer online.

Over 90% of customers look for businesses on the first page of Google. This means that if your roofing business is not visible on Google, it will be difficult to win new customers who are looking for roofing services online.

## LocalSEO helps Roofers:

- Increase revenues by reaching more customers on Google.
- Generate more organic visibility to lower marketing costs.
- Gain visibility into SEO performance.
