LocalSEO is our search engine optimization service that allows small businesses to increase the amount of qualified traffic to their website from people who are looking for a local business right now.

LocalSEO will help your most important marketing tool—your website—rise higher on search results when people are looking for the services you offer online.

LocalSEO has enabled many small businesses to improve their average keyword position from 100+ to the first page of Google joining OneLocal, with their keywords now in the number 1 spot, allowing potential clients to find their business online.

LocalSEO helps small businesses:

- Increase revenues by reaching more customers on Google
- Generate more organic visibility to lower marketing costs
- Gain visibility into SEO performance
