Specialized marketing for Cleaning Services

LocalVisits is a flexible solution that allows the cleaners to virtually organize and manage their bookings and payments.

Clients can book via their mobile and be notified via SMS when the appointment is approaching. This ensures a seamless transaction from start to finish, including a secure and efficient connection to a payment system.

LocalVisits helps Cleaners:

- Effectively manage quotes, bookings and payments virtually.
- Allows for ease of use for clients and employees.
- Reduce manual work with automated messaging and reminders.
- Seamless connection to payments and integrated analytics.

LocalVisits allows cleaning businesses to maintain two way text conversations, leading to faster service and higher conversion rates.
