Specialized marketing for Roofers

LocalVisits is a flexible solution that allows roofers to virtually organize and manage their quotes, bookings, and payment process.

Customers can make payments via their mobile and be notified via SMS with a reminder of their booking. This ensures a seamless communication and transaction from start to finish, including a secure and efficient connection to a payment system.

LocalVisits helps Roofers:

- Effectively manage quotes, bookings and payments virtually.
- Allows for ease of use for customers and employees.
- Reduce manual work with automated messaging and reminders.
- Seamless connection to payments and integrated analytics.

LocalVisits allows businesses to maintain two way text conversations, leading to faster service and higher conversion rates.
