LocalVisits

LocalVisits is a flexible solution that allows small businesses to virtually organize and manage their bookings, payments, and check-in process.

Clients can check-in or confirm their booking via their mobile and be notified via SMS when the office is ready to see them. This ensures a seamless transaction from start to finish, including a secure and efficient connection to a payment system.

LocalVisits helps small businesses:

- Effectively manage bookings and payments virtually
- Allows for ease of use for clients and employees
- Reduce manual work with automated messaging and reminders
- Seamless connection to payments and integrated analytics

LocalVisits allows businesses to maintain two way text conversations, leading to faster service and higher conversion rates.

"LocalVisits saves me time and I'm being sought out daily by many clients booking appointments.. Very impressed indeed!" - Dr. Uba, Vigam Medical Spa and Laser
